Filing for National Association of Professional Agents under Bulletin 4-2005, SB 233, Act 1697 of 2005 - (Section 45)

Dear Commissioner:

Arkansas Bulletin 4-2005, SB 233, Act 1697 of 2005 (Section 45) provides that the Commissioner must make a finding that an association was formed in good faith for purposes other than to provide insurance, before that association can be considered to be a "group" for purposes of group A&H policies, regardless of domicile, prior to soliciting residents of your state.

ACE American Insurance Company, an admitted insurer in the state of Missouri, will be issuing a Group Accident Insurance policy to the National Association of Professional Agents in Missouri, its domicile. We enclose copies of the Association's bylaws and its Articles of Incorporation. Also included is the Questionnaire for Associations.

ACE American Insurance Company will be issuing a Group Accident Policy to this Association to provide a basic Accidental Death and Dismemberment Benefit to the members of the Association as part of membership in the Association. In addition, the members may purchase additional voluntary AD&D coverage for themselves and their family including additional benefits such as Coma benefit, Emergency Medical benefits, Repatriation of Remains and several more.

We maintain this insurance meets the requirements for associations pursuant to Section 23-86-106 (2)(A) of the Arkansas Insurance Code and ask for your acknowledgment.

Please contact me directly if additional information is required.

The Association may have other offices within or without the State of Missouri as the Board of Directors may from time to time determine.

ARTICLE III

Section 2. Voting Rights. Each member of classes 1 and 2 shall be entitled to one vote on each matter submitted to a vote of the members by the Board of Directors. Voting may be in person or by proxy; provided that no proxy may be used for voting purposes unless the original of the proxy is filed with the Secretary of the Association at least seven (7) days before the meeting at which it is to be used.

Section 3. Termination of Membership. Any member who shall be in default in the payment of dues for the period fixed in Article XI of the By-Laws is automatically ineligible for membership and loses all privileges and rights of the Association, subject to the discretion of the Board of Directors to extend such time period for the payment of dues.

Section 4. Resignation. Any member may resign by filing a written resignation with the Secretary, but such resignation shall not entitle such member to any refund of dues and the member shall immediately lose all privileges and rights of the Association.

Section 5. Reinstatement. Upon written reapplication a former member may be reinstated to membership in the Association.

Section 6. Transfer of Membership. Membership in the Association is not transferable or assignable.

ARTICLE IV

MEETINGS OF MEMBERS

Section 1. Annual Meeting. An annual meeting of the members of the Association shall be held for the purpose of electing Directors and the transaction of any other business as may come before the meeting. The date of the annual meeting shall be determined by the Board of Directors.

Section 2. Special Meeting. Special meetings of the members, for any purpose or purposes, unless otherwise prescribed by law, may be called by the President and shall be called by the Secretary at the direction of a majority of the Board of Directors, or at the request in writing of members representing at least one hundred (100) votes entitled to be cast at such meeting.

Section 3. Place of Meeting. The Board of Directors may designate any place, within or without the State of Missouri as the place of meeting for any annual meeting. Written or printed notice stating the place, day and hour of any regular or special meeting of the Association members shall be delivered, either personally, by mail or through the internet, to each member, not less than seven (7) days or more than forty (40) days before the date of such meeting, by or at the direction of the President, or Secretary, or the Board of Directors or person calling the meeting. In the case of special meetings, the purpose for which the meeting is called shall be stated in the notice. If mailed, the notice of meeting shall be deemed delivered when deposited in the United States mail addressed to the member at this address as it appears on the records of the Association, with postage thereon paid. Notice of meetings may be included in any publication that is distributed to the member.

Section 5. Quorum. There shall be no minimum number of members necessary to be present at any regular meeting or special meeting, in order to constitute a quorum. Those members present shall therefore constitute a quorum.

Section 6. Manner of Acting. The act of a majority of the members present at any regular or special meeting shall constitute the act of the members.

Section 7. Informal Action by Members. Upon approval by the Directors, any action required to be taken at a meeting of the members of the Association or any other action which may be taken at a meeting, may be taken without a meeting if consents in writing, setting forth the action so taken, shall be signed by a majority of the members with respect to the subject matter thereof.

Section 8. Parliamentary Procedures. Parliamentary Procedure for all meetings of members, directors, and committees shall be conducted in accordance with the latest revised edition of Robert's Rules of Order, unless otherwise inconsistent with these By-Laws.

When a quorum is present at any meeting, the vote of the holders of a majority of members present shall decide any questions brought before such meeting, unless the questions are ones upon which, by express provision of law or of the Association's Articles of Incorporation, a different vote is required, in which case such express provision shall govern and control the decision of such question.

Section 10. Matters Reserved to Membership Vote. The following matters shall be authorized only upon a vote "thereon" by the members at a meeting called to consider such matter:

1. An amendment to the Association's Article of Incorporation;
2. The election of the Board of Directors; and
3. Any other matter which the Board of Directors, in their sole discretion, by resolution shall commit to a vote of the members.

ARTICLE V

BOARD OF DIRECTORS

Section 1. General Powers. The affairs of the Association shall be managed by its Board of Directors.

Section 2. Number, Tenure and Qualifications. The number of directors shall be no fewer than three (3) and no more than twenty-five (25) and may be changed from time to time by resolution of the Board of Directors. The Board of Directors shall appoint a committee to nominate successor directors. The directors shall be elected at an annual meeting of the members, except as provided in Section 8 of this Article, and each director elected shall hold office until his successor is elected and qualified or until his earlier death, resignation or removal. Directors shall be residents of the United States of America.

Section 3. Regular Meetings. A regular annual meeting of the Board of Directors shall be held each year immediately after the annual meeting of the members of the Association for the purpose of electing officers and for the transaction of such other business as may come before the meeting. The regular annual meeting of directors shall be held without other notice than these By-Laws. The Board of Directors may provide by resolution the time and place, within or without the State of Missouri for the holding of additional regular meetings of the Board of Directors.

Section 4. Special Meetings. Special meetings of the Board of Directors may be called by or at the request of the President or any two (2) directors. All special meetings shall be held at the registered office of the Association unless otherwise agreed upon by a majority of the Board of the Directors in attendance at the meeting.

Section 5. Notice. Notice of any special meeting of the Board of Directors and the business to be transacted shall be given at least five (5) days previously thereto by written notice delivered personally, by mail or through the internet to each director at his address shown on the records of the Association. If notice is given by mail, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the director. Any director may waive notice of any meeting. The attendance of a director at any meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the

meeting is not lawfully called or convened. The purpose of any special meeting of the Board of Directors shall be specified in the notice of such meeting.

Section 6. Quorum. A majority of the Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors provided that if less than a majority of the directors are present at said meeting, a majority of the directors present may adjourn the meeting from time to time without further notice.

Section 7. Manner of Acting. The act of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, except where otherwise provided by law or these By-Laws.

Section 8. Vacancies. Vacancies created by the death, resignation, or removal of a director may be filled by a majority vote of the directors then in office though less than a quorum, and each director so chosen shall hold office until his successor is elected and qualified or until his earlier death, resignation or removal. A director may be removed at any time, with or without cause, by a vote of a majority of the remaining directors. If there are not directors in office, then an election of directors may be held in the manner provided by law. Newly created directorships shall be filled by election at an annual meeting or special meeting called for that purpose.

Section 9. Compensation. Directors as such shall not receive any stated salaries for their services, but by resolution of the Board of Directors, a fixed sum and expenses of attendance, if any, may be allowed for attendance at each meeting of the Board of Directors. Nothing herein contained shall be construed to preclude any director from serving the Association in any other capacity and receiving compensation therefore upon approval by the Board.

Section 10. Telephonic Participation in Meeting. The members of the Board of Directors, or of any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors or committee by means of conference telephone or similar communications equipment whereby all persons participating in the meeting can hear each other, and participation in a meeting in this manner shall constitute presence in person at the meeting.

Section 11. Action by Written Consent. Any action which is required to be or may be taken at a meeting of the directors, or of any committee of the directors, may be taken without a meeting if consents in writing, setting forth the action so taken are signed by all of the members of the Board of Directors or of the committee as the case may be. The consents shall have the same force and effect as a unanimous vote at a meeting duly held. The Secretary shall file the consents with the minutes of the meetings of the Board of Directors or of the committee as the case may be.

ARTICLE VI

Section 1. Officers. The Officers of the Association shall be a President, one or more Vice Presidents (the number thereof to be determined by the Board of Directors), a Treasurer, a Secretary or combination thereof, and such other officers as may be elected in accordance with the provisions of this article. ARTICLE VII

Section 1. Committees of Directors. The Board of Directors, by resolution adopted by the majority of the directors in office, may designate one or more committees, each of which shall consist of two (2) or more directors, which committees, to the extent provided in said resolution, shall have and exercise the authority of the Board of Directors in the management of the Association, but the designation of such committees and the delegation thereto of authority shall not operate to relieve the Board of Directors, or any individual director, of any responsibility imposed upon it or him by law. The President shall be an ex-officio member of all committees of directors.

Section 2. Other Committees. Other committees not having and exercising the authority of the Board of Directors in the management of the Association may be designated by a resolution adopted by a majority of the directors present at a meeting at which a quorum is present. What Members Are Saying About NAPA...

"You were very knowledgeable and represented a true desire to make sure all the details were correct in obtaining my insurance policy. I am new to the business and you were patient and thorough in your communication. I truly appreciate your empathy and professionalism. I would recommend you highly and continue to do business with NAPA!"

★★★★★ ~ **Charles Green II of Helotes, Texas**

"You are extremely efficient and I really appreciate reaching a live person without a lot of frustration. I will remain with NAPA due to my experience this morning and your rates are extremely reasonable. You were very respectful and attentive."

★★★★★ ~ **Betty L. O'Connor of Kent, WA**

"Your website was one of the easiest to use I have ever encountered. The use of the page by page without advancing until those questions were answered and skipping unnecessary steps made the process fast and easy. The follow up e-mails, PDFs and voice call were timely and appreciated. All of us should have such great websites. I would definitely recommend you and this product and the service you provided."

★★★★★ ~ **John Head of Orlando, FL**
